1.2.170

a Lesson in the University of The New Covenant

Theodore Cottingham, November 17, 2004, Tape 64_3, 11:00 a.m., St. John's nave

www.unc.bz

1. I, The Lord God, am coming forth and I am coming forth in glory. I am coming forth as a child in those mature enough to receive Me, those mature enough to receive Me as a child, becoming as a child to receive Me in the likeness of Me, the fullness of Me being received. I, a child, full grown, mature, manifesting Myself in the child-likeness, childishness not, of My meek matured ones, who now manifestly mold forth waves, ways, fashions and form; fashion and form after Me, and only Me, to be built on My Kingdom, built in My Kingdom, building My Kingdom, receiving My Kingdom in them, bringing My Kingdom to earth; My earth manifestly becoming My Kingdom all, conquered, cataclysmically grave'd.
2. Now see Me, sense Me, feel Me, taste Me, My touch, My adam's apple, My hair, My glory. Feel My glory in you presiding, residing, pulsating and waiting forevermore; engines of only Me.
3. I pour forth My glory not into fuel containers wanting Me not: But I pour forth My glory so readily, so rapidly, so instantaneously, spontaneously, with My grace upon those meek who now meekly remain on their knees before Me so that I can arise them to the leadership of more than they could have ever imagined. I love you and I give you Me. And I come in glory, kingly glory, and I come in My Mighty Many, and I come in the form of a man, a woman, a child. And **My Second Coming is already revealed in My words so eloquently, so evidently, so apparently, so obviously none can miss Me who truly seek Me in My words and will listen to My spirit, My voice that I give** and yield so quickly, so vividly with colors and hues, definitions, connections, relationships and relations of only Me for those who will come into Me for My intellect, for My mind, for My answers rather than studying, relying only on their mind, and the minds of mere men who have come into Me not to see, not to see Me for who I am, but to see Me for who they can be, what they can get, what they can proclaim, what they can lay hold to, self-aggrandizement of only not-Me.
4. All that I bequeathed not, bequest not; but behold it so evidently in Me for all those who will receive Me. I love you and I give you Me. And I give you grace to behold, grace to behold.
5. Be wary not of strangers who come that you don't understand, but yea, bring gifts and consultations seek, seeking Me, to hear Me as I hear you. More do I love you, more do I give, more for you coming more, more for your days, your ways of only Me now, subscribing to only Me, My news services, My news service, My on-the-spot coverage of what I am doing, when I am doing it, how I am doing it, who I am doing it with. Yea, even before the news happens I will come and I will call and I will give.

6. I will arise, and I will speak in the night, I will speak in the day, and I will speak before crowds, contumorated masses who conflagrate and ingratiate each other and yet know more is happening than they can contend with. I love you and I give you Me.
7. Fear not the ways of man, men or women who know Me not, fear not evil, fear not the power of weapons thought carnal, incarnal, even eternal not. Thoughts are powerful. I love you and I give you Me.
8. The power to withstand, the power to stand, the power to know beforehand, beforehand, before ever was is, before is was. I am you are, you were with Me in My bosom, in My chest, clavety of only Me, the cleft of My rock, the shadow of My hand, under My wing. We laid under trees, we played in fields, we twirled and laughed and we sang and we ate at My Father's table.
9. See Me in what I have said. See what I am giving. See what I am beholding to no man to give, but give all that My Father has given Me, now to you, you, you who so readily come and give yourself of Me, to Me, for Me. I love you and I give you Me. And I give you My All and I withhold nothing, My nothingness not; My fullness, My glory all, I give to My all who seek Me now. And reside in Me I will, reside in them I will, in the fullness of My glory, My Priesthood, My all-believing believers; My unselfish ones that have come now and called and conquered time, clocks, urgencies, priorities, preponderances and proclivities to proclaim Me and My priorities and My preponderances, and My proclivity and that which I deem is wealthy, that which I deem is healthy, and that which I deem to provide and provision into My own: knowledge, wisdom and understanding; yea, **the seven fold spirits of Me** completely coming forth, golden, tenured not; but spoken of Me, revealed, and now coming forth in glory, glory-ized of only Me. I love you and I give you Me.
10. Glory of only Me. All glory Mine. Yes, every compliment and every criticism Mine and only Mine and bring to Me and lay at My knee and let Me revenge, let Me reverse, let Me constrain, let Me contain, let Me deal with, for you are Me and you are dead. And remember, you are dead and **dead to remembrances of things not Me, and words spoken and deeds done not of Me you are dead to**.
11. See Me. See Me. See Me in My constant, continuous flow of giving now of Me, Myself to you, yourself**, your seed forevermore.** I love you.
12. Glow, glow and grow. Be not dismayed with any field of reasoning which seems to resent Me and reflect on My glory. Containerize not, but flow Me and My words, My colors, My shades of every color, My color of every shade; **saris, turbans, paraphernalia you know nothing of, but will, respectfully respecting My who wear what they want,** My who operate in rules never given by Me, but yet seek Me, scorn not. Touch not My anointed, My race, My races, My people of every tribe, nation and tongue. I love you.
13. I give you Me. Thank you. **Thank you for coming, reciting, reviewing, stating not My words in your own words first, but My words first and then sharing, sharing, pleasing Me to the fullest.** Amen.

14. I give you slate, glass and steel of only Me in every country. See. See Me in what I am doing and place forth the forces who know how to be strategic in Me in places and positions of understanding to utilize My tools all. I thank you. Amen.
15. My roots coming forth in all races, watch Me. Every tribe, nation and tongue, deliverance of only Me. Elevation, escalation of all now is and even Me, only Me, at My helm. I love Me and I love you. And I glorify My children, My family, My life, My loves, My who I love so deeply, those who deeply love Me so familial-y. I love you. I give you Me.
16. I give you grace to withstand. I give you grace to stand. I give you grace to not record the wrongs, the scorn, the scratches, the scars; for you will suffer, **for all who know Me suffer**, suffering in the sharing of **My fellowship**, **the fellowship of My sons.**
17. All is, all was, all will be again. I love you and I come forth and I come forth mightily, many'd, in My own time, today, now. See Me. Fear Me. Watch Me. Speak Me. Yea, and even more to you shall be given, manifoldly, filling the earth with My word. Amen.
18. Isaiah 11:9 For the earth shall be full of the knowledge of The Lord as the waters covers the sea. That, that, this is today, now, coming forth; the writing provisioned by My Priesthood of All Believers, jettisoned, rocketed, propelled by only Me now, at My knee in time that they have spent with Me to know My voice, to know My way, and be not afraid of My words and be fearlessly-ized now to **come forth in the fearless remnant, the fearless remnant, the fearless remnant of only Me.**
19. See Me in what I have given you. See Me in what I connect and sinew together and map Me spherically. How many times shall I say? Again and again, revealing Me in My word, demonstrating futility and philosophy of so many who thought they knew My word so perfectly, yet refusing to be My word and speak My word. My scriptures never stopping but filling My earth; Revelation after revelation coming forth, waves crashing on the sea of forgetfulness not, but being recorded, written digitized, replicated, filling My earth; filling the hearts, souls, and minds of men, women, and children to be My Me'd ones coming forth; from children tiny to age to age again. I love you, I give you Me.
20. I give you glory for you give Me all glory; I give you all glory for you give Me all glory; **for I am you, I was you, you are Me.** See Me: Fullness, Covenant, Exchange; Inter-exchange of only Me. **Covenant concepts must come forth, not in concepts alone but privily, publicly, proclaiming Me in My exchange of Me with My body.** I love you and I give you Me.
21. **I give you all of Me, can't you see? Can't you see? Can't you see how daily I reveal? I want to be known; I want you to know My inner thoughts, My secrets, My every detail of My Kingdom now open, unsealed, trumpets blowing, blaring for the ones with sensitive ears knowing time is, time was, time ends, time up, time now. Underscore these words** and indelibly place them in grates not but those ingratiated into Me. **I am My vine, word of My mouth, blood of My blood, seed of My seed, our seed one and the same. I give you Me, all of Me**.

22. So much more still coming, all revealed, all is; all I have given, all I am giving, every day, every thought revealed of Me. Enter into the captivity of only Me increasingly for freedom, religion none, rules none, relationship everything.
23. I am, you are; you are I am. I reside in you residually not, but in fullness, in freedom and so very meekly.
24. **You want to want, you want to know, you want to know three days, three days with Me, what I said, what I did; coming, yes, not conventionally, experientially.**
25. See Me in what I have said and what I am giving, what I am allowing, provision made, way open, categorized not, newness of only Me, way-making, categorization-forming, not for containerization or restriction or rule formulation but recapitulation of only Me. And understanding coming forth on My plane of freedom, knowing My different planes, intersection, sectors of only Me, **convergence demonstrated**, revealed. Power, might and glory at your feet, given to Me by Me, given to us by our Father. I love you one, one body, one blood; one young for all. I love you.
26. The stone and stairsteps into only Me. Cataclysmic be and yield not your sword but only Mine in temperance and meekness and embodiment of only Me. Seeing what I say, doing what I hear, being Me fully, fully, fully on the earth, now coming forth in containers not categorized nor form or fashion ever anticipating by My religious who have Me all figured out it seems sometimes, and yet know nothing of My glory and My power and the categories of the intersections of My planes, the geometry of glory, the glory of heaven and the heaven of My rule on earth in My Mighty Many coming forth, being one, leading they could, could have, can so easily, will, have come forth, if come forth in meekness, resigning all to Me, **relegating all urgencies to My priority, My voice, caring not for the accolades of men and women**. I love you and I give you Me.
27. Music of only Me, pianos only begun. Orchestras, oboes, organists of only Me coming forth with ten-string instruments of only Me, lyres and harps and flutes, harpsichords, ancients and instruments of only Me yet being invented in the heart of Me, the heart of My Mine who seek now gold from only My table. Golden truths, truth, truths which transcend any gold not of My truth. My word coming forth, My music, My 24/7 Worship Centers, My Freedom Centers, My Ready Be. Tell them to be ready, tell them to prepare, tell them to yield to Me, yield to Me their mourning, yield to Me and mourn not for that which changes and changes in the twinkling of an eye, releasing, response-ing, actions never anticipated.
28. So few so ready, ready-ize My body; make them aware, make them aware of My response to their place, to their complacency, to their apathy, to their ignorance, **to their mediated relation not of Me.**
29. I love you and I give you Me directly, every single one of you. Every single one of you, every single one of you will I speak, will I speak with, will I speak to, will I teach.
30. Will I teach? Will I form My own school, My own curriculum for you? Will I teach you in the experiences of only Me coming forth daily, nightly? Will I teach you through asses, and mules, and donkeys, and those with protrusions mightily not of Me, as well as

those meekness'd in walking in love-ship, knowing Me intimately, My values and My rules-none? I love you.

31. **I will teach you. I will teach you. I will curriculum-ize curriculum identically to your DNA, to your need, to your preference, to your learning style, connecting every facet, every detail, every morsel of truth and untruth so that you know where to connect, where to sever, where to re-relate, where to frame, where to conquer, where to come, who to listen to and where to be; restricting not your movement in Me but from place to place sometimes going, hearing only Me and being Me and walking and laughing in the freedom as you learn and learn to laugh with Me and laugh and learn with Me in My curriculum, my daily curriculum, My school of only Me, My name on your forehead, student of Christ, the living speaking of Christ who speaks now living words of truth and freedom, piercing the darkness, going everywhere at all times unrestricted in Me and knowing My Mine**; **My Mind forming in you fully, and fully, fully more so. Will you come? Will you call? Will you allow Me to teach you? Will you allow Me to ride you on My jets? My conquering steeds of only Me? Come, combine, coagulate with people who operate in My blood, My value systems and love of only Me, love for only Me, love of truth, the truth, My truth, only truth; meekness, meekness, power and authority of only Me; healing, elevating, lifting, *competition not*, competition none, competition destroyed**; My body operating in congruence, parallel and serial combine, direct, Active X in only Me. I love you. I give you Me. I give you all of Me.

32. Come forth My Mighty Many this day and let Me teach you, let Me show you My words. Inhale My words, inhale Me in the truth that I now bring forth. I love you and I give you Me. I give you Me, recorded Me, digitized Me, placated not, picturized in images into a thousand be. I love you. Bringing forth fruit, fruit on the vine, living fruit, fruit enjoy in childlike smiles of only Me. Watch Me.

33. Now come forth, My who will let Me, and **enter My curriculum, enter My school, customized for only you, mass customization of only Me for only you. My Me coming forth in you, more and more as you enter My curriculum in My school of daily-ness, daily coming before Me, with My priorities becoming your priorities. My words becoming your words, your values ingrained becoming My values ingrained. My values often replacing your values, My values of love, honor, meekness, respect, deference. My values of monocular vision, the ability to hear and say and see what My Father says, how He provides, how He diminishes not but elevates, elevates, elevates. There is no lack in My body and all provision is made for those who will enter My school. There is no debt upon leaving, there is no debt upon graduating, all entrance requirements are of only Me. I love you.**

34. See Me, see My words, My truth, My elegance, My eloquence, My demands none: My starters who have failed, My failures who have not started, My reprimanded-not, My condemned-not, My now who opened-door'd are: opportunity begging, meekly

presented before you in meekness on trays of gold, silver, glass, and brass, slate and skates prepared, chambers of only Me.

35. My chambermaids come, doing My housework, doing My house spring, doing My house, make replete; men, women, children, every color, nation, tribe and tongue. My who love Me come, My who love Me start. My who even quit, stop, forestall, who wait and see, yea, come again to My knee to come with Me for Me to elevate. I love you.

36. **My students come forth to curriculumize the Mighty Many truths given, given and coming.** I love you.

37. Scientific experiments not, relationship of only Me, truth of only Me and My body coming forth in forms and fashions of only Me.

38. See Me and be not afraid of any science but let Me speak, let Me investigate, let Me confirm, let Me encourage/discourage, discerning of only Me. I love you. I give you Me.

39. Relationships now come forth formed in My throne, decadence none, declarers of My glory all and what I am doing in My earth with My Mighty Many; My Priesthood of All Believers who love Me so deeply **and Melchizedek now seek to be, seek to operate in, and be the fullness of Me, experiencing all that I am** and forever will be with Me. I love you.

40. Think it not strange who I bring, who I sever, how I connect and reconnect, what I share and the subjects that I now share on and the vocabulary that now grows, the subjects which now divide the word of truth accurately, building, building, building of only Me; My word filling My earth in science, technology, medicine, instruction of only Me; re-foundationed upon My throne, My truth; My Father smiles. I love you.

41. Go forth in glee in Me and mighty be. I love you. Mighty Man of Valor (Judges 6:11-12) make of all in your path who will see Me in these words and be Me, respecting, respectfully. I love you so much. Feel My presence, feel My arm, feel My approval, feel My gratitude and express it to all of My sons and daughters for all they do in Me, all they do for each other in My name, My name ***on their forehead***.

Good day
